MAHARASHTRA FILM CELL AT FILM BAZAAR 2019

Film Bazaar is the largest South Asian film market which encourages creative and financial collaboration between the film communities from across the world. Over the course of five days, Film Bazaar becomes the converging point for film buyers, festival organizers, state/central government organizations and sellers from all over the world

Maharashtra Film, Stage & Cultural Development Corporation Ltd (MFSCDC) participated in Film Bazaar 2019, representing state of Maharashtra. The objective was to promote filming in the state and highlight the unique initiatives that state has taken to promote ease of filming in the state.

Maharashtra Film Cell Office

MFSCDC set up a Film Office at Film Bazaar 2019, which helps in connecting the State Governments with industry stakeholders such as Indian and international producers, directors, industry executives and event managers from India and abroad, through structured meetings. MFSCDC through its Film Office highlighted the location compendium, promoted single window system and informed about the initiatives taken to make filming a smooth affair in the state.

Knowledge Series: Focus Maharashtra

MFSCDC participated in Knowledge Series Session (image on left) of the film bazaar on 21st November 2019, which was a specially curated Question and Answer Session between MD, MFSCDC and CEO Producer Guild, India to understand the initiatives taken by Maharashtra to promote filming.

MFSCDC also presented a case study (image on right) on the successful facilitation of film shooting permission for Christopher Nolan's yet to be released spy thriller "Tenet". The session highlighted the critical permission process, steps taken by government of Maharashtra and impeccable coordination between different departments to streamline the approvals
