A FILM BY CHRISTOPHER NOLAN
T E N E T
7.17.20

Warner Bros produced Christopher Nolan film with a schedule of 7 days in Mumbai. An action epic revolving around the world of international espionage with a sci-fi twist. Being shot in around seven countries (Denmark, Estonia, India, Italy, Norway, the United Kingdom, and United States) globally.

**Over 160 foreign crew members | 600 Indian crew members | 2000 extras
| Filming in extremely crowded areas of South Mumbai | More than 2000
line items imported**

Maharashtra Film Cell (MFC) set up by the Department of Culture under Maharashtra Film, Stage & Cultural Development Corporation Ltd. (MFSCDC Ltd.) - Govt. of Maharashtra, ensured that the renowned director and his film unit don't face any hassle while shooting the movie in the financial capital of the country. Christopher Nolan shot Tenet in Mumbai in a smooth manner and his team was all praise for the Indian officials for MFC's support

Facilitation provided by Maharashtra Film Cell

- FFO facilitated the central government permissions and Visas for the film crew
- The state permissions were managed in coordination with Maharashtra Film Cell, FFO, Producers Guild of India and stakeholder departments
- Given the scale of the filming and the requirements from the Nolan's team, Principal Secretary, Dept. of Culture created a task force from each stakeholder department
- Each department nominated a SPOC responsible for representing it during meeting with Principal Sec MD, MFSCDC Ltd. was nominated to be the Nodal officer for all the SPOCs
- A WhatsApp group was created with all the stakeholders to ensure timely compliances and issuance of permissions Maharashtra Film Cell appointed a contact officer for Nolan's team during all their visits to state departments
